Instructions

English

CAUTION:

Electrostatic discharges can damage components on PC board. Use a ground strap when handling or installing PC board. Configurations other than those specified result in poor sprayer performance.

1. Follow Pressure Relief Procedure in Manual 312891.
2. Remove pressure control cover.
3. Remove PC board. See Manual 312891 for procedure.
4. Prepare PC boards for installation.
 - a. Clip and remove resistor **A** for T-Max 506 installations.
 - b. Do nothing for T-Max 657 installations.
5. Install PC board. See Manual 312891 for procedure.
6. Install pressure control cover.

TO PLACE AN ORDER, contact your Graco distributor, or call **1-800-690-2894** to identify the nearest distributor.
